CLINICAL ACTIVITIES

08/22 – Present

Chronic Pain Fellow
ACGME Accredited Fellowship in Iowa City, IA. Program covers multidisciplinary pain management including clinic, core procedures (epidural steroid injection, median branch block, RFA, Joint Injection, lumbar sympathetic blocks etc.), spinal cord stimulator trials with permanent implant, regenerative medicine, clinical pharmacy, pain psychology, and subspecialty rotations (Neurosurgery, Pediatric Pain, PM&R and

- Addiction Medicine). Completed Medtronic implantable device skills training and cadaver lab (SCS implant, Intrathecal Pump Implant, Kyphoplasty).
- 11/21 – 07/22
Practicing Pain Physician
Pain physician working with four physicians and four NPs/PAs in Little Rock, AR. Received on the job training for clinical visits and pain procedures from fellow physicians. Accustomed to seeing high volumes of patients in clinic both procedural and medication management visits (18 – 35 per day). Had two procedure days a week (one ASC, one office based) focused on performing epidural steroid injections, median branch blocks, RFA, genicular blocks, intraarticular injections, etc. averaging 25 - 35 procedures a day.
- 07/19 – 10/21
Practicing Anesthesiologist
Call taking physician at the Arkansas Heart Hospital covering open heart procedures (with advanced TEE), TAVRs, Mitral Clips, Watchman and EP studies with ablations. Secondary responsibilities at additional sites including cases with Orthopedics (with regional blocks), Urology (high volume, 40+ cases daily), Plastics, Bariatrics and General surgery (with thoracic epidural).
- 07/17 – 06/19
CA2 / CA3 Resident
Completed subspecialty rotations in Anesthesia ICU, Cardiothoracic (Jewish Hospital), Acute Regional Pain, Obstetrics, Chronic Pain (multimodal med management, LESI, LMBB, and regional blocks), General, and Pediatric Anesthesia (Norton Children's Hospital).
- 06/16 – 06/17
CA1 Resident
Responsible for anesthesia care of General, Gynecology, Orthopedic, Vascular, Urologic, and Neurosurgery patients in the University of Louisville and Veterans Affairs operating rooms.
- 07/15 – 05/16
PGY1 Resident
Responsible for clinical care of internal medicine and general surgery patients in both in-patient and out-patient settings in the University of Louisville Hospital and Veterans Affairs Hospital.
